

CAT III
1000 V

CAT IV
600 V

1000 V
AC/DC

10 A
AC/DC

Auto
Range

Digital Multimeter 21010

Features:

- Voltage, Current- and Resistance Measurement
- Voltage Measurement with 100 kHz Band Width
- True RMS measurement
- Current Loop Test 4...20 mA
- Capacity and Frequency Measurement
- Diode and Continuity Test
- MIN/MAX, Relative, Peak Value measurement
- Temperature Measurement
- Automatic und Manual Range selection
- Integrated Measurement Memory
- Bargraph Display
- Backlight Display
- Acoustic warning signal for wrong socket assignment
- Highest Safety CAT IV / 600 V

Technical Data:

Voltage AC/DC	0.01 mV...1000 V
Current AC/DC	0.01 μ A...10 A / 20 A (30 s)
Resistance	0.01 Ω ...50 M Ω
Frequency	5 Hz...200 kHz
Capacity	0.01 nF...9999 μ F
Measurement Cat.	CAT III / 1000 V · CAT IV / 600 V
Power Supply	9 V, IEC 6LR61
Dimension	198 x 97 x 55 mm
Weight	approx. 500 g

Scope of supply:

1 pc Digital Multimeter 21010, 1 pc Battery 9 V IEC 6LR61,
2 pcs Test Leads (red, black), 1 pc Rubber Holster,
1 pc Instruction Manual

Order information

Description	Order No.
HDT Digital Multimeter	21010
